

## Kirk and Jayne Flanagan Missionary Associates to Malawi.

Greetings in the name of Jesus,

Time goes by very quickly it has been over one month since we last wrote to you and a lot has happened in that time, Kirk went back into Mozambique to collect the repaired truck, that all went very smooth and now the truck is running well.

We also went Kenya for our missionary retreat, that was great spending time with many other missionaries, a few that we already knew and many that we made new friendships with.

We got home on January 7th after being gone from home a month apart from two days being home between returning from Mozambique and going to Lilongwe and Kenya.

We are also thankful to be back on line in our home again!

Now we are back into the swing of things and Kirk has attended several missions planning meetings planning the year ahead.

The churches that are planned to be planted are in Thekeran in Thyolo district, Chiphwembe in the Nsanje district, Chapananga in Chikwawa district and East bank in Chikwana district.

On February 18th we will visit the church plant in Neno, this is a church that our church here Bangwe AG has planted. They are currently meeting in a school and we are taking some plans with us for a church building to be built.

Then the District office here are planning a crusade and to be a support to a church already established in Beira, Mozambique but this is not until September. (I Jayne) am really looking forward to this one.

I (Jayne) will be speaking at our ladies meeting this Thursday at Bangwe AG.

Boys are doing good, as many of you know Jesse celebrated his 13th birthday, thank you to all who sent him an email greeting.

Jack has been playing soccer on the school team, Jacks team won 10-0! He was very happy.

We love hearing from each of you.

We cannot end this email without thanking each one of you for your love, prayers and support.

We love you!

We will keep in touch!

Answering His call to go,

Kirk, Jayne, Jesse, Jack and Josiah Flanagan

December 2006. A great reunion, Jesse, Jack and Josiah with their good friend Sundeeno who was our neighbor for 4 years in Matola Mozambique. Many of you will remember photos of our boys with Sundeeno when Sundeeno was just 2!
